## English Translation

Knit together in our mothers' womb  
God created all that's within us  
Wonderfully complex  
We've been made  
He knows all of me  
He sees everything  
We are all one precious family

Your Father is Jehovah God  
My Father is Jehovah God  
All of us are God's own children  
Keep our hearts as one  
Keep our minds as one  
We are all one precious family

Our Savior is the Lord Jesus Christ  
He is the only One who saves  
He gave up His life for all of us  
By one Spirit  
We are unified  
We are all one precious family

Brothers please do  
Follow His commands  
Love each other as if you are one  
Then all of the people on the earth  
They will know that  
We are His followers  
We are all one precious family
