## English Singable Version

Oh my God, I worship You  
And I love You with all my heart  
For Your grace is so clear  
As I come before Your throne  
Oh I worship You with all my heart.

Lord, You are my heart's desire  
And You are my only joy  
For Your grace is so clear  
As I come before Your throne  
Oh my God , I worship You.
