## English Singable Version

Before we all were created  
We were all first known in God's heart.  
With eyes of peace and compassion  
For us He lovingly waited.

Time passed and Mercy acted  
Filled with fierce love and devotion  
He came from our Father's presence  
To make the way that we can meet God.

Jesus, my Jesus  
Those who wait upon the Lord  
Will renew their strength  
On the wings of the eagle  
We will soar with You.

Now may these hearts that we offer  
Wait for you now with deep longing  
Asking you to draw us closer  
Into your presence we come now
