## English Singable Version

Ga wa la dang Ga wa la  
O what joy and happiness!  
From our Saviour Jesus Christ  
This new day has dawned upon us.

Thank you Lord, Gracious One,  
From our hearts we offer you  
Our praise song (2x)

Blessed One, O come to us,  
On this very day, today!  
You have shown your love to us,  
We will offer you our praise.

Saviour Jesus, grant to us  
Your salvation from our sin  
Grant your blessing upon us.  
Then how happy we shall be.
