## English Singable Version

Precious snow land child that I love  
I can feel the danger and the darkness  
But I will follow the light  
For a messenger of Jesus am I (2x)

Oh Tibetan land that I love  
I can hear your pleasant beautiful songs  
So I will sing and tell the gospel  
For a messenger of Jesus am I (2x)

Walking through this land that I love  
I will go and tell the way of salvation.  
Lifting high the name of Jesus  
For a messenger of Jesus am I (2x)
