English Singable Version

When life is not happy

In Savior's presence

Read the Bible and

Jehovah gives us happiness

When you fall into a difficult situation,

In Lord Jesus' presence

Offer prayer steadily

And Jehovah gives us salvation

When you don't have joy in your heart

In Lord Jesus' presence

Offer pleasant sounding songs of praise

And Jehovah gives us joy.

When you don't have peace in your heart

In the Holy Spirit's presence

Talk to the brothers and sisters

And Jehovah shows us the way.
