English Singable Version

We've all gathered here (now)

Come to meet the Father

Gathered here to praise Him

So! We've all come to gather here

We're his songs and daughters

Meeting as one family

God the Father's coming

So! Drawing near to us (now) here

Give your praise to His name

Pay attention to His Word

Jesus Christ is here now

So! Our (great) King has come to us!
