English Translation

Come back to God

You will be set free there.

God gives this good news

To all people.

Brigands and hypocrites

Sinners and saints

If they come to Jesus' presence

He will guide them all.

At the end world

There will be a huge banquet prepared.

If anyone want to join,

Come quickly.

To God's son

If you confess your sin

He will purify all and

Will give you eternal life.

If you trust in me,

I will give joy and happiness.

His love

Will exhort you.

Come back to Father

Come quickly, right now.

No need to be afraid of Him

He loves you.

Whoever comes to Jesus

Will be set free.

God paid this for all. (2x)
