English Translation

The Lord is my shepherd
I shall not be in want
He makes me lie down in green pastures
He leads me beside quiet waters

He restores my soul
He guides me in paths of righteousness
For His name's sake
Even though I walk through
The valley of the shadow of death
I will fear no evil for you are with me
Your rod and your staff they comfort me

You prepare a table before me
In the presence of my enemies
You anoint my head with oil
my cup overflows
Surely goodness and love
Will follow me all the days of my life
And I will dwell in the house
Of the Lord forever.
